BHM | BBA | BCSIT | MBA (Morning & Evening Shifts)

## 17th Annual Day

Quest International College celebrated its 17th Annual Day on Poush 4 in the esteemed presence of the Chief Guest, Mayor of Lalitpur Metropolitan City, Mr. Chiri Babu Maharjan, along with other distinguished guests from various corporate houses, including Ward Chairperson Mr. Kul Bahadur Maharjan. The Quest Entertainment Club hosted and managed the event, which was attended by over 600 students.

During the celebration, over 500 medals were awarded to outstanding students in their respective fields. This included recognition for academic excellence, where medals were distributed to 340 achievers, as well as more than 200 medals for Sports Week results and other extracurricular performances.

*“We nurture talent throughout the year, and this day stands as a celebration of reward and recognition.”*

After the formal session—which featured speeches from the Chief Guest and the Principal, along with medal distribution—the program transitioned into an informal segment. The informal program showcased 20 diverse performances, including cultural dances, singing, and poetry presented by students.

*“Not limited to the Annual Day; events such as the Food Festival, Fresher Party, and Gala Dinner also provide platforms for students to showcase their artistic skills.”*

## MBA Induction Session

Quest International College conducted a six-day induction program for newly enrolled MBA students of the Fall 2025 intake. The program was designed to welcome students and provide an overview of their upcoming academic and professional journey.

Featuring esteemed guest lectures from professionals across diverse fields, the induction program helped shape students' mindsets and equipped them with valuable insights as they prepare for the next two years of their MBA experience.

## Farewell Program for MBA 2023 Spring/Fall Intake

Quest International College hosted a farewell party for the 13th and 14th batches of the MBA program at Hotel Royal Tulip on December 17 2025, Gwarko, Lalitpur. The program began with heartfelt graduation speeches from students reflecting on their two-year academic journey, followed by a vote of thanks from the honorable Principal and Chairperson, Mr. Udaya Raj Paudel, and an inspiring address by the Chief Guest, Dr. Ankit Katrodia, Associate Professor at North-West University, South Africa.

The event concluded with the presentation of tokens of love to the graduating students as a symbol of appreciation and best wishes for their future. A photo session and a warm dinner followed, allowing everyone to celebrate the memorable occasion and bid farewell in a joyful and dignified atmosphere.

## Credit Rating Awareness Program

On December 17, 2025 in collaboration with CARE Ratings Nepal Ltd., Quest International College organized a Credit Rating Awareness Program for BBA and MBA students. The session was facilitated by Mr. Santosh Pudasaini, Rating Head at CARE Ratings Nepal, who introduced students to the fundamentals of credit ratings and the role of rating agencies in the financial market.

In collaboration with CARE Ratings Nepal Ltd., Quest International College organized a Credit Rating Awareness Program for BBA and MBA students. The session was facilitated by Mr. Santosh Pudasaini, Rating Head at CARE Ratings Nepal, who introduced students to the fundamentals of credit ratings and the role of rating agencies in the financial market.

## Community Visit Program

Breaking away from the traditional practice of confining students to hotel conference rooms, Quest International College has embraced a new approach to strengthen relationships between students and management through community outreach programs. This initiative aims to blend learning with real-world engagement and shared experiences.

As part of this effort, students visited Yak Brewing Company and Piprahar Community Homestay on December 1, 2025, where they gained valuable industry exposure while creating meaningful and lasting memories together. The program not only enhanced their practical understanding but also fostered a stronger sense of connection within the Quest community.

## Quest Intra-College Hospitality Skill Showcase

For the past Eighteen years, Quest International College has been organizing various intra-college competitions such as Barista, Cooking, Mixology, Food and Beverage Service, Bakery, and Housekeeping every semester. This time, the events were conducted from 10th to 19th December 2025. These competitions are designed to create an engaging and practical learning environment for students of Hotel Management.

Through these competitions, students are given a valuable platform to demonstrate their exceptional skills and professional creativity. Such initiatives help to build confidence, encourage healthy competition, and prepare students for real-world challenges in the hospitality industry.

## Presented Seven Research Papers in Boston International Conference

The Quest Research Management Cell (QRMC) participated in the 1st BIC International Conference (BICIC-DSBIGA 2025), hosted by Boston International College, Chitwan, Nepal, on November 28 and 29, 2025. The hybrid conference brought together scholars and professionals from different fields to discuss emerging management shifts and sustainable futures.

Representing QRMC, Ms. Purnima Lawaju, Ms. Sareena Prajapati, Mr. Dhan Bahadur Lowar, Mr. Rohit Guragain, Mr. Majibur Rahman Siddique, Ms. Niruta Subedi, and Ms. Sabina Budhathoki presented their research papers, contributing valuable academic insights. Their active participation highlighted QRMC's commitment to research excellence and engagement with the global academic community.

## Presented Five Research Papers at SOM TU Conference

Five students—Mr. Dhan Bahadur Lowar, Mr. Rohit Guragain, Mr. Majibur Rahman Siddique, Ms. Niruta Subedi, and Ms. Sabina Budhathoki—presented their research papers at the Tech4Sustain: International Conference on Emerging Technology and Sustainable Business, held on December 12 and 13 and organized by Tribhuvan University. The conference brought together academicians, practitioners, policymakers, and industry leaders to explore how emerging technologies can drive sustainability.

With the support of the Quest Research Management Cell, the students actively contributed to meaningful academic discussions and shared their research findings on a prestigious platform. Their participation reflected Quest's commitment to promoting research, innovation, and sustainable business practices among its students.

## Workshop on Geographic Information System

A two-day Workshop on Geographic Information System (GIS) was conducted on 17–18 December for MBA 14th Batch students. The workshop was facilitated by Mr. Bishnu Maharjan and organized by the Quest Research Management Cell to support students in preparing their MBA Group Research Project (GRP) reports.

The program helped students develop a clear understanding of GIS tools and techniques for constructing accurate study areas and mapping research locations. Through hands-on practice, participants enhanced their technical skills, making their research work more precise and effective.

## HR Readiness Guest Lecture Session

On December 23rd, 2025 our BBA students participated in an HR Readiness Session facilitated by HR professional Mr. Sanjeev Kumar Jha, Associate Vice President – HR at Ramesh Corp. The session was designed to introduce students to the dynamic field of human resource management and its career prospects.

Through this interactive session, students gained valuable insights into the roles and responsibilities of an HR manager, along with the essential skills and competencies required to succeed in the HR profession. The program helped prepare students to better understand and pursue career opportunities in the HR industry.

## Product Showcase by BBA VII Semester Students

On December 17, 2025 BBA 7th semester students showcased their business ideas along with their products and sold them to real customers on the premises of Quest International College. More than 10 teams, comprising over 40 students, pitched their products and successfully convinced customers to make purchases

More than 10 teams, comprising over 40 students, actively pitched their products and successfully persuaded customers to make purchases. This hands-on initiative helped students build confidence, sharpen their sales skills, and better understand market dynamics.

## Idea Showcase by BBA VIII Semester Students

BBA 8th semester students of Quest International College presented their business ideas to faculty members and fellow students in a formal presentation setting. The event provided a platform for students to demonstrate their creativity, innovation, and entrepreneurial thinking.

More than 15 teams, comprising over 60 students, pitched their ideas, responded to questions, and received constructive feedback from the audience. The session helped refine their concepts while strengthening their presentation and critical thinking skills.

## Free Health Camp

Quest Social Club organized a free health camp for students and faculty on November 30, 2025, providing essential services such as eye check-ups, dental check-ups, blood sugar level tests, and blood group testing. The program aimed to promote health awareness and well-being within the college community.

The event also included a blood donation drive, during which 25 participants voluntarily donated blood for a meaningful cause. This initiative not only supported those in need but also strengthened the spirit of social responsibility and care among students and staff.

## Christmas Giveaway Program

On the occasion of Christmas, Quest Social Club donated stationery items to Maya Ghar Orphanage, Kirtipur. The initiative was carried out to spread joy and support the educational needs of the children.

The stationery items, generously contributed by the faculty and students of Quest International College, were distributed to the children as Christmas gifts. This meaningful gesture reflected the college community's spirit of kindness, sharing, and social responsibility.

## Quest Sport Week

Quest Sports Club successfully organized Sports Week from December 10 to 14, with over 200 students enthusiastically participating in a variety of competitive games. The event featured seven different games—chess, badminton, table tennis, basketball, futsal, cricket, and Mobile Legends—across both male and female categories.

Sports Week is the biggest festival for sports enthusiasts at Quest International College, held twice a year. The entire event is planned and managed by the Quest Sports Club, providing students with a platform to showcase their athletic skills and team spirit.

## IPO Campaign

Quest Finance Club launched an IPO awareness campaign on December 23, 2025, for the highly anticipated Reliance Spinning Mills IPO. The initiative aimed to help students understand IPO-related queries and provided free Demat accounts and TMS services on the college premises.

Additionally, the club mobilized funding of Rs. 2 lakh from six member accounts to apply for the IPO, operating under a profit-sharing agreement between the members and the club in case of allotment. The campaign provided students with practical exposure to the IPO process and investment opportunities.

## IT & Finance Clubs Strategic Collaboration

Our recently established IT Club and Finance Club have entered into a collaborative partnership by exchanging memberships and complementing each other's skill sets. This initiative is designed to encourage mutual learning, enhance both technical and financial competencies, and create broader opportunities for students through shared knowledge and teamwork.

As part of this collaboration, the IT Club will develop a website for the Finance Club, beginning with a prototype for review and approval. Once the prototype is accepted, the IT Club will proceed with the development and official launch of the full website, marking a meaningful outcome of this joint effort.

## Shangrila Expo

Our sister organization Shangrila School, Imadol (**From Montessori to Grade XII**) proudly organized the Shangrila Educational Expo 2026, a vibrant event that brought together learning and creativity under one roof. The expo featured engaging student exhibitions where children confidently showcased their skills and talents, along with lively stage performances, interactive games, colorful face painting, and exciting food stalls that created a joyful and energetic atmosphere.

The expo concluded on a high note, leaving behind unforgettable memories for students, parents, and visitors alike. It successfully highlighted the importance of experiential learning while encouraging young minds to express themselves, build confidence, and celebrate their unique abilities in a fun and supportive environment.
